

ACKNOWLEDGEMENT AND WAIVER

I have requested flight instruction from **Sweet Aviation LLC** (the "Company"). I understand that flying has an element of risk associated with it and I assume this risk. I also understand that as a precondition to receiving flight instruction, I must sign this document.

In consideration for receiving the flight instruction, I agree to the following:

1. I hereby waive and release the Company from any liability or claims I may have with respect to injury to my person (including death) and/or damage to my property arising out of my relationship with the Company during the course of my instruction as I am inside an aircraft or entering into or exiting from an aircraft.
2. This Agreement, which I am providing to the Company, is also to be for the benefit of the Company's employees, contractors, owners, representatives and agents, as well as the Fort Wayne-Allen County Airport Authority and its board and employees, as well as the owner of any aircraft used for my flight instruction and all of their applicable respective heirs, successors and assigns.
3. I also agree not to pursue through litigation or administrative proceedings any cause or claim herein waived and agree to hold the Company and the other parties referenced in paragraph 2 above harmless from any such suits, actions, damages, liabilities or expenses occasioned wholly or in part by act or omission of the Company or its employees or contractors and that this indemnification shall be with reasonable attorney's fees.
4. I agree that this agreement shall be enforced to the maximum extent allowed by Indiana law and construed under Indiana law.
5. I do understand that I am not waiving or releasing the Company for gross negligence or willful misconduct.
