

PILOT GROUND SCHOOL

AT SWEET AVIATION

Classes start September 8 and 11 at Smith Field Airport Pass your FAA Private Pilot Knowledge Test - Guaranteed!*

This 12-week course is designed to cover the knowledge needed for the private pilot certificate. As part of the course, you will be provided with the appropriate materials.

Class Information

- Entire course is just \$349 and includes the Gleim Pilot Handbook, Gleim Knowledge Test Book, sectional chart, and our written test guarantee.

Special Offer!

- For just \$50 more, you get all of the materials, plus the full private pilot Gleim Kit, a \$150 value.

- Interactive course of study with certified instructors from Sweet Aviation

- 12-week course with two sessions to choose from each week:
Saturday, 9AM–12PM or Tuesday, 6–9PM

- Sessions begin September 8 and go through December 4.

- Not interested in taking the entire course? Individual classes are available for just \$39 each (does not include written test guarantee or any class materials). A great way to brush up on a subject or join the knowledge test review sessions.

When

Starting September 8, classes will be held on Saturday mornings, from 9AM–12PM. There are also Tuesday classes available starting September 11, from 6–9PM.
