Flight Training, Aircraft Rental & Maintenance — Smith Field Airport

Join us for a

CIRRUS PILOTS & OWNERS WORKSHOP!

June 22–23 | Sweet Aviation
Smith Field Airport (SMD) | Fort Wayne, IN

Learn from CSIPs, TCIs, and expert Cirrus Aircraft representatives — all of whom have a deep understanding and knowledge of Cirrus Aircraft!

This is a 2-day workshop that will include Cirrus-specific ground instruction, optional flight training, social events, and a chance to win a flight in a Vision Jet!

We'll cover:

- Partner in command — Cirrus-specific passenger briefings
- Making the critical “go/no-go” decision
- Increasing confidence in the traffic pattern
- EFB best practices
- Risk mitigation — human factors

You fly the best plane — your passengers deserve the best pilot!

For more information, including pricing, scheduling, logistics, and more, email Joel@SweetAviation.com or call (260) 267-5505.
