

TAKE THE FIRST STEP TO BECOMING A PILOT.

Ground School

Classes begin April 13 and 16 at Smith Field Airport.

Becoming a pilot is easier than you think.

This 12-week course is designed to cover the knowledge needed for the private pilot certificate. As part of the course, you will be provided with the appropriate materials.

Starting April 13, classes will be held on Saturday mornings, from 9AM–12PM. There are also Tuesday classes available starting April 16, from 6–9PM.

Sweet Aviation at Smith Field Airport
902 W. Ludwig Rd. Fort Wayne, IN 46825

This course helps you prepare for the FAA private pilot written test, which you are guaranteed to pass.

Let our experienced instructors provide you the in-depth knowledge to pass the FAA written test, which is a big step closer to becoming a certified pilot!

Class Information

- Entire course is just \$499 and includes the Gleim Private Pilot Kit, sectional chart, and our written test guarantee.
- Interactive course of study with certified instructors from Sweet Aviation
- 12-week course with two sessions to choose from each week:
Saturdays, 9AM–12PM or **Tuesdays, 6–9PM**
- Sessions begin April 13 and go through July 2.

Pass your FAA Private Pilot Knowledge Test – Guaranteed!*
